

NextSTAR™

Superior Steel Roofing Range.

NextSTAR™

Australian Standards | Meets AS2728: 2013

Due to its superior paint formulation NextSTAR™ pre-painted steel offers you 10 years longer warranty than COLORBOND®

NextSTAR™ premium painted steel coating is the most advanced silicone-modified polyester formulation available in Australia. The silicone content provides a better performance – for colour, fade resistance and gloss protection. This coating unites the best film build top coat with pigment and primer systems developed for premium projects.

NextSTAR™ coatings live up to their star reputation when you need your design to last, providing first-class, strong resistance to scratching, chalking, fading and weathering. The addition of ULTRA-Cool IR-reflective pigments deflects solar heat, enabling buildings to stay cooler and use less energy for air-conditioning.

If your house is 200m from the coast or you need protection against extreme weather, ask about NextSTAR™ Ultra – an Australia first coastal and light industrial pre painted steel solution.

Look better for longer with NextSTAR™ Superior Steel Roofing.

WARRANTY

Best warranties on the market. The superior paint finish system gives you at least 10 years' longer lasting performance. We offer up to 30 years' paint performance warranty and up to 42 years' life to perforation warranty.

POLYESTER FINISH COAT WITH ADDED SILICONE

Better flexibility and resistance to cracking, up to 25% better gloss and colour retention, superior weatherability and outstanding colour consistency.

HIGHER FILM BUILD TOP COAT

NextSTAR™ uses an Australian first higher film build of guaranteed 25 microns (top coat); double UV filters and UV stabilisers.

RIGOROUS TESTING FOR AUSTRALIAN CONDITIONS

A 30% higher investment has been made to bring this advanced paint technology to market – due to increased film build, increased UV filters and Ultra-COOL pigments. It also undergoes a robust QA program, and is both internally and independently tested. Test conditions include harsh locations in Queensland, Northern New South Wales and New Zealand.

NEXTSTAR™ PAINTED FINISH TECHNOLOGY

Certificate of Superiority.

Your Quality Guarantee.

CONGRATULATIONS ON YOUR SELECTION OF A SUPERIOR PAINTED STEEL FOR YOUR HOME. SMART HOME OWNERS CHOOSE THE PRODUCT THAT GIVES THEM 10 YEARS LONGER LASTING PAINT PROTECTION. LOOK BETTER FOR LONGER!

XX NextSTAR™ Superior Steel Roofing Range.
